## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT :**

### **A. Economic Overview :**

The year 2013-14 has shown improvement in the secondary capital market however, the primary market was very poor and there were no new financial activities or good opportunity for new investment by the Company. The Company has made its investment mostly in the unlisted unquoted securities, therefore there was no impact as such on the Company's investment activities.

### **B. Industry structure and developments :**

Non-Banking Finance Companies are the important entities engaged in the field of finance and investment, which is the primary business of your company. Interest rates are highly sensitive to many factors beyond the Company's control, including the monetary policies of the RBI, deregulation of the financial sector in India, domestic and international economic and political conditions, inflation and other factors. As a result, interest rates in India have historically experienced a relatively high degree of volatility. The availability of efficient financial services has been a key driver of business growth and profitability

### **C. Opportunities and Risk Management :**

The company is in the process of implementing strategies to capitalize available opportunities. Financial conditions had improved sharply across the world and risk perceptions had turned more favorable. The company is consolidating its resources, which would be used for committing capital for future business activities. The company will keep examining and pursuing these new opportunities for growth. The company regularly monitors liquidity and interest risk. Inflation has remained a major source of concern in the economy for more than a year. The overall inflation rate has remained at double digit levels for the past few months. The behaviour of inflation will also be a major concern for monetary authorities. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis. These are discussed with both Management (Board) Committee and Audit Committee.

### **D. Outlook**

The economic and financial situation is recovering slowly, in view of the new stable Ventral Government the economic and financial recovery will help to sustain the higher growth rate. Focus on investment in the next fiscal year is likely to render India an attractive market that is well positioned to take advantage of both structural and cyclical gains while its strong domestic base is likely to limit the impact of external stress on growth dynamics and returns. Since the capital flows are expected to be moderate, they should not pose any problem to the management. The economic and financial scenario offers immense opportunities for it to grow in scale and reach coupled with value creation.

### **E. Internal Control**

The company has in place adequate internal control systems commensurate with the size and nature of its business. These ensure that all corporate policies are strictly adhered to an absolute transparency is followed in accounting and all its business dealings. The internal control is designed to ensure that financial and other records are designed to ensure that financial and other records are reliable for preparing financial information and other reports, and for maintaining regular accountability of the Company's assets. The Company maintains a system of internal control, including suitable monitoring procedures and the adequacy of the same has been reported by its auditors in their report as required under the Companies (Auditor's Report) Order, 2003.

The company ensures adherence to all internal control policies and procedures. The Audit Committee reviews adequacy and effectiveness of the Company's internal control environment and monitors the implementation of audit recommendations including those relating to strengthening of the Company's risk management policies and systems.

**F. Cautionary Statement**

Statements in the Management Discussion and Analysis Report describing the Company's objectives projections, estimates, expectations or predictions & contains forward looking statement within the meaning of applicable rules and regulations. It contains forward looking statements which are made in good faith based on the information available at the time of its approval. It is believed that the expectations reflected in these statements are reasonable but they may be affected by a number of risks and uncertainties that are inherent in any forward looking statement which could cause actual results to differ materially from those either expressed or implied in the statement depending on circumstances.

## INDEPENDENT AUDITOR'S REPORT

To the Members of  
Amit Securities Limited

We have audited the accompanying financial statements of Amit Securities Limited which comprise the Balance Sheet as at March 31, 2014, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance and cash flows of the company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act") read with the General Circular 15/2013 dated 13th September 2013 of the Ministry of Corporate Affairs in respect of Section 133 of the Companies Act, 2013, and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2014 and
- (b) In the case of the Statement of Profit and Loss, of the Profit for the year ended on that date.
- (c) In the case of the Cash flow Statement, of the Cash flows for the year ended on that date.

**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
  - a. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

## Significant Accounting Policies

### **Basis of Preparation**

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. GAAP comprises mandatory accounting standards as prescribed by the Companies (Accounting Standards) Rules, 2006, the provisions of the Companies Act, 1956 and guidelines issued by the Securities and Exchange Board of India (SEBI). Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

### **1 Accounting Policies**

#### **a Use of Estimates**

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period. Although these estimates are based on management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future period.

#### **b Tangible Fixed Assets**

"Fixed assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. "Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard performance. All other expenses on existing fixed assets, including day to day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred."

#### **c Depreciation**

Depreciation on Fixed Assets are provided for in accordance with Schedule XIV of the Companies Act 1956 on Straight Line Method. In respect of Additions made during the year, Depreciation is charged on prorata basis from the date of Addition.

#### **d Investments**

"Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments. "All investments are usually measured at cost. "Current investments are carried in the financial statements at lower of the cost and fair value determined in on an individual investment basis. Long term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the Investments.

**e Provisions & Contingent Liability**

"The Company recognized a provision when there is a present obligation as a result of past event, and a reliable estimate can be made of the amount of the obligation. Provisions are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates." "The liabilities or obligations, which cannot be crystallized but loom in horizon, are disclosed as contingent liabilities.

**f Inventories**

Stock In Trade of Shares is Valued at Cost on Fifo Basis

**g Income Tax**

"Tax expenses comprise current and deferred tax. "Current tax comprises Company's tax liability for the current financial year as well as additional tax paid, if any, during the year in respect of earlier years on receipt of demand from the authorities. For computation of taxable income under the Income Tax Act, 1961, accrual basis of accounting has been adopted and consistently followed by the Company." "Deferred tax assets and liabilities are computed on the timing differences at the Balance Sheet date using the tax rate and tax laws that have been enacted or substantially enacted by the Balance sheet date. Deferred tax assets are recognized based on management estimates of reasonable certainty that sufficient taxable income will be available against which such deferred tax assets can be realized. Unrecognized deferred tax assets of earlier years are re-assessed and recognized to the extent that it has become reasonably certain that future taxable income will be available against which such deferred tax assets can be realized."

**h Retirement and Employee Benefits**

The Company has Defined Benefit plans namely leave encashment and gratuity for all employees which is accounted for by the Company on payment Basis

**i Revenue Recognition**

Revenues are recognized to the extent that it is probable that economic benefit will flow to the Company and revenue can be reliably measured. It is accounted for net of trade discounts.

**j Earning Per Share**

"Earnings per Share (EPS) are computed on the basis of net profit after tax for the year. The number of shares used in computing basic EPS is weighted average number of shares outstanding during the year. "The diluted EPS is calculated on the same basis as basic EPS, since there are no dilutive equity shares."

**k Cash Flow Statement**

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature. The cash flows from regular revenue generating, investing and financing activities of the Company are segregated.
