NOTES

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM/EGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM/EGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.
3. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at 1st September 2021. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM/EGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com.
7. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's General Circular No. 20/2020, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January,13,2021.

THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on Friday, 24th September 2021 (10:00 a.m. IST) and ends on Sunday, 26th September 2021 (5:00 p.m. IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 20th September 2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION & ANALYSIS:

Economic Scenario and Outlook with impact on business operations on account of COVID-19 pandemic:

The outbreak of COVID-19 pandemic has led to an unprecedented disruption in the economic activities across the globe. Consequently, the business has been affected in the year 2020-21.

The Company's operation remained shut from April 10, 2021 due to lockdown which has impacted its operations during April and June 2021. The registered office of the Company is situated in Mumbai (Maharashtra) and corporate office is situated in Indore (M.P.) and both the cities were under complete lockdown. The activities of the Company were severely affected as the Company continues to bear its fixed overhead expenses and other inevitable financial costs without having any relaxation from the Government of India/State Governments/Local Authorities leading to continue the financial stress on the Company. The Company has resumed its operations in a phased manner. The Company took utmost care of its staff and work force like sanitisation, social distancing, mandatory mask wearing, maintaining proper hygiene and many of the employees were given "Work from Home" facility.

We have taken cash flow and other expenses measures to smoothly manage our operations. April - June' 2021 being lockdown months, the revenues and profitability of the Company are likely to be adversely impacted. As

the business situation is very dynamic, the company is closely monitoring it. Though we do hope the business situation should normalise during remaining tenure of the coming financial year.

Industry Outlook and Opportunities:

Adverse effect of Covid-19 will be continued on the operation of the Company in the next financial years also in all sectors. The Company is consistently monitoring the developments and taking all measures to minimize the impact of outbreak of Covid-19 on business of the Company.

Further the existing Government has announced various relief measures for the various sectors of the society including the corporate sectors in terms of taxation relief and various other measures. In order to reduce the impact of COVID 19 on the economy Government is planning to announce more relief in the coming period. Company will take benefits of all the measures and cope up with positive impact on its business.

Market Development:

The Company has made investment in the Associate and group-concern companies. However, it may be risk free from the changes in the capital market. The Company is making efforts to realize the investment and loans for better deployment for growth of the company.

Risk Management Policy and Internal Adequacy:

The capital market industry is mainly dependent on economic growth of country and capital market is also further affected by number of issues arising out of International policies of foreign government as well any change in international business environment. The industrial growth is very sensitive which is dependent on many factors which may be social, financial, economical or political and also natural climatic conditions in the country. However, with the positive attitude of country which can mitigate the avoidable risks. Geopolitical tensions, raising crude oil prices, rising US bond yields, scams in the banking sector are some of the affecting factors that the country witnessed during the year under review. The country faced the said concerns with positive measures by way of making amendments or introducing new laws that can assist to grow the economy. Foreign investors are very positive for India and trust its policies which are very much investor friendly. It is expected that the said efforts shall continue during the coming years irrespective of the Government which is in power.

Internal Control System:

The company has implemented proper system for safeguarding the operations/business of the company, through which the assets are verified and frauds, errors are reduced and accounts, information connected to it are maintained such, so as to timely completion of the statements. The Company has adequate systems of Internal Controls commensurate with its size and operations to ensure orderly and efficient conduct of business. These controls ensure safeguarding of assets, reduction and detection of fraud and error, adequacy and completeness of the accounting records and timely preparation of reliable financial information. The company has internal audit and verification at regular intervals. The requirement of having internal auditor compulsory by statute in case of listed and other classes of companies as prescribed shall further strengthen the internal control measures of company.

Associated Risk to the Business:

The Company emphasizes on those risks that threaten the achievement of business objectives of the Group over the short to medium term. An overview of these risks is provided hereafter, including the actions taken to mitigate these risks and any related opportunities:

- i) *Strategic and Commercial risks:* being taken care by the Risk Management Committee and reporting to the Board on need basis.
- ii) *Regulatory compliance risks:* The regulatory environment has resulted into increased regulatory scrutiny

that has raised the minimum standards to be maintained by the Company. This signifies the alignment of corporate performance objectives, while ensuring compliance with regulatory requirements. The Company recognizes that regulatory requirements can at times be challenging, and therefore will, strive to understand the changing regulatory standards, so as to strengthen its decision-making processes and integrate these in the business strategy of each of the industries in which it operates. Drive business performance through the convergence of risk, compliance processes and controls mechanisms to ensure continued operational efficiency and effectiveness.

- iii) *Financial risks:* It includes among others, exposure to movements in interest rates and the Company also maintains sufficient liquidity, so that it is able to meet its financial commitments on due dates and is not forced to obtain funds at higher interest rates.
- iv) *Day-to-day Risk Management:* Management and staff at the Company's facilities, assets and functions identify and manage risk, promoting safe, compliant and reliable operations. These requirements, along with business needs and the applicable legal and regulatory requirements, underpin the practical plans developed to help reduce risk and deliver strong, sustainable performance.

VIGIL MECHANISM / WHISTLE BLOWER POLICY

1. PREFACE

- 1.1 Section 177 of the Companies Act, 2013 requires every listed company and such class or classes of companies, as may be prescribed to establish a vigil mechanism for the directors and employees to report genuine concerns in such manner as may be prescribed. The Company has adopted a Code of Conduct for Directors and Senior Management Executives ("the Code"), which lays down the principles and standards that should govern the actions of the Company and its employees. Any actual or potential violation of the Code, howsoever insignificant or perceived as such, would be a matter of serious concern for the Company. Such a vigil mechanism shall provide for adequate safeguards against victimization of persons who use such mechanism and also make provision for direct access to the chairperson of the Audit Committee in appropriate or exceptional cases.
- 1.2 In the draft Rules under Companies Act' 2013, among others, a company which has borrowed money from banks and public financial institutions in excess of Rs.50 crore need to have a vigil mechanism.
- 1.3 Under these circumstances, AMIT SECURITIES LIMITED, being a Limited Company has established a Whistle Blower Policy/ Vigil Mechanism and to formulate a policy for the same.

2. POLICY OBJECTIVES

- 2.1 The Company is committed to adhere to the highest standards of ethical, moral and legal conduct of business operations. To maintain these standards, the Company encourages its employees who have concerns about suspected misconduct to come forward and express these concerns without fear of punishment or unfair treatment. A Vigil (Whistle Blower) mechanism provides a channel to the employees and Directors to report to the management concerns about unethical behavior, actual or suspected fraud or violation of the Codes of conduct or policy. The mechanism provides for adequate safeguards against victimization of employees and Directors to avail of the mechanism and also provide for direct access to the Chairman of the Audit Committee in exceptional cases.
- 2.2 This neither releases employees from their duty of confidentiality in the course of their work nor can it be used as a route for raising malicious or unfounded allegations against people in authority and / or colleagues in general.

3. SCOPE OF THE POLICY

- 3.1 This Policy covers malpractices and events which have taken place / suspected to have taken place, misuse or abuse of authority, fraud or suspected fraud, violation of company rules, manipulations, negligence causing danger to public health and safety, misappropriation of monies, and other matters or activity on account of which the interest of the Company is affected and formally reported by whistle blowers concerning its employees.

4. DEFINITIONS

- 4.1 "Alleged wrongful conduct" shall mean violation of law, Infringement of Company's rules, misappropriation of monies, actual or suspected fraud, substantial and specific danger to public health and safety or abuse of authority".
- 4.2 "Audit Committee" means a Committee constituted by the Board of Directors of the Company in accordance guidelines of Companies Act, 2013.
- 4.3 "Board" means the Board of Directors of the Company.
- 4.4 "Company" means the and all its offices.

- 4.5 "Code" means Code of Conduct for Directors and Senior Management Executives adopted by Amit Securities Ltd.
- 4.6 "Employee" means all the present employees and whole time Directors of the Company (Whether working in India or abroad).
- 4.7 "Protected Disclosure" means a concern raised by an employee or group of employees of the Company, through a written communication and made in good faith which discloses or demonstrates information about an unethical or improper activity under the title "SCOPE OF THE POLICY" with respect to the Company. It should be factual and not speculative or in the nature of an interpretation / conclusion and should contain as much specific information as possible to allow for proper assessment of the nature and extent of the concern.
- 4.8 "Subject" means a person or group of persons against or in relation to whom a Protected Disclosure is made or evidence gathered during the course of an investigation.
- 4.9 "Vigilance and Ethics Officer" means an officer appointed to receive protected disclosures from whistle blowers, maintaining records thereof, placing the same before the Audit Committee for its disposal and informing the Whistle Blower the result thereof.
- 4.10 "Whistle Blower" is an employee or group of employees who make a Protected Disclosure under this Policy and also referred in this policy as complainant.

5. ELIGIBILITY

All Employees of the Company are eligible to make Protected Disclosures under the Policy in relation to matters concerning the Company.

6. RECEIPT AND DISPOSAL OF PROTECTED DISCLOSURES.

- 6.1 All Protected Disclosures should be reported in writing by the complainant as soon as possible after the Whistle Blower becomes aware of the same so as to ensure a clear understanding of the issues raised and should either be typed or written in a legible handwriting in English or in Hindi.
- 6.2 The Protected Disclosure should be submitted in a closed and secured envelope and should be super scribed as "Protected disclosure under the Whistle Blower policy". Alternatively, the same can also be sent through email with the subject "Protected disclosure under the Whistle Blower policy". If the complaint is not super scribed and closed as mentioned above, it will not be possible for the Audit Committee to protect the complainant and the protected disclosure will be dealt with as if a normal disclosure. In order to protect identity of the complainant, the Vigilance and Ethics Officer will not issue any acknowledgement to the complainants and they are advised neither to write their name / address on the envelope nor enter into any further correspondence with the Vigilance and Ethics Officer. The Vigilance and Ethics Officer shall assure that in case any further clarification is required he will get in touch with the complainant.

He shall also carry out initial investigation either himself or by involving any other Officer of the Company or an outside agency before referring the matter to the Audit Committee of the Company for further appropriate investigation and needful action. The record will include:

- a) Brief facts;
- b) Whether the same Protected Disclosure was raised previously by anyone, and if so, the outcome thereof;
- c) Whether the same Protected Disclosure was raised previously on the same subject;
- d) Details of actions taken by Vigilance and Ethics Officer / Chairman/ CEO for processing the complaint
- e) Findings of the Audit Committee
- f) The recommendations of the Audit Committee/ other action(s).

6.8 The Audit Committee, if deems fit, may call for further information or particulars from the complainant.

7. INVESTIGATION

7.1 All protected disclosures under this policy will be recorded and thoroughly investigated. The Audit Committee may investigate and may at its discretion consider involving any other Officer of the Company and/ or an outside agency for the purpose of investigation.

7.2 The decision to conduct an investigation is by itself not an accusation and is to be treated as a neutral fact-finding process.

7.3 Subject(s) will normally be informed in writing of the allegations at the outset of a formal investigation and have opportunities for providing their inputs during the investigation.

7.4 Subject(s) shall have a duty to co-operate with the Audit Committee or any of the Officers appointed by it in this regard.

7.5 Subject(s) have a right to consult with a person or persons of their choice, other than the Vigilance and Ethics Officer / Investigators and/or members of the Audit Committee and/or the Whistle Blower.

7.6 Subject(s) have a responsibility not to interfere with the investigation. Evidence shall not be withheld, destroyed or tampered with and witness shall not be influenced, coached, threatened or intimidated by the subject(s).

7.7 Unless there are compelling reasons not to do so, subject(s) will be given the opportunity to respond to material findings contained in the investigation report. No allegation of wrong doing against a subject(s)

shall be considered as maintainable unless there is good evidence in support of the allegation.

- 7.8 Subject(s) have a right to be informed of the outcome of the investigations. If allegations are not sustained, the Subject should be consulted as to whether public disclosure of the investigation results would be in the best interest of the Subject and the Company.
- 7.9 The investigation shall be completed normally within 90 days of the receipt of the protected disclosure and is extendable by such period as the Audit Committee deems fit.

8. DECISION AND REPORTING

- 8.1 If an investigation leads the Vigilance and Ethics Officer / Chairman of the Audit Committee to conclude that an improper or unethical act has been committed, the Vigilance and Ethics Officer / Chairman of the Audit Committee shall recommend to the management of the Company to take such disciplinary or corrective action as he may deem fit. It is clarified that any disciplinary or corrective action initiated against the Subject as a result of the findings of an investigation pursuant to this Policy shall adhere to the applicable personnel or staff conduct and disciplinary procedures.
- 8.2 The Vigilance and Ethics Officer shall submit a report to the Chairman of the Audit Committee on a regular basis about all Protected Disclosures referred to him/her since the last report together with the results of investigations, if any.
- 8.3 In case the Subject is the Chairman/CEO of the Company, the Chairman of the Audit Committee after examining the Protected Disclosure shall forward the protected disclosure to other members of the Audit Committee if deemed fit. The Audit Committee shall appropriately and expeditiously investigate the Protected Disclosure.
- 8.4 If the report of investigation is not to the satisfaction of the complainant, the complainant has the right to report the event to the appropriate legal or investigating agency.
- 8.5 A complainant who makes false allegations of unethical & improper practices or about alleged wrongful conduct of the subject to the Vigilance and Ethics Officer or the Audit Committee shall be subject to appropriate disciplinary action in accordance with the rules, procedures and policies of the Company.

9. SECRECY / CONFIDENTIALITY

- 9.1 The complainant, Vigilance and Ethics Officer, Members of Audit Committee, the Subject and everybody involved in the process shall:
- 9.1.1 Maintain confidentiality of all matters under this Policy
- 9.1.2 Discuss only to the extent or with those persons as required under this policy for completing the process of investigations.
- 9.1.3 Not keep the papers unattended anywhere at any time
- 9.1.4 Keep the electronic mails / files under password.

10. PROTECTION

- 10.1 No unfair treatment will be meted out to a Whistle Blower by virtue of his/ her having reported a Protected Disclosure under this policy. The company, as a policy, condemns any kind of discrimination, harassment, victimization or any other unfair employment practice being adopted against Whistle Blowers. Complete protection will, therefore, be given to Whistle Blowers against any unfair practice like retaliation, threat or intimidation of termination/suspension of service, disciplinary action, transfer, demotion, refusal of promotion or the like including any direct or indirect use of authority to obstruct the Whistle Blower's right to continue to perform his duties / functions including making further Protected Disclosure. The company will take steps to minimize difficulties, which the Whistle Blower may experience as a result of

making the Protected Disclosure. Thus, if the Whistle Blower is required to give evidence in criminal or disciplinary proceedings, the Company will arrange for the Whistle Blower to receive advice about the procedure, etc.

10.2 A Whistle Blower may report any violation of the above clause to the Chairman of the Audit Committee, who shall investigate into the same and recommend suitable action to the management.

10.3 The identity of the Whistle Blower shall be kept confidential to the extent possible and permitted under law. The identity of the complainant will not be revealed unless he himself has made either his details public or disclosed his identity to any other office or authority. In the event of the identity of the complainant being disclosed, the Audit Committee is authorized to initiate appropriate action as per extant regulations against the person or agency making such disclosure. The identity of the Whistle Blower, if known, shall remain confidential to those persons directly involved in applying this policy, unless the issue requires investigation by law enforcement agencies, in which case members of the organization are subject to subpoena.

10.4 Any other Employee assisting in the said investigation shall also be protected to the same extent as the Whistle Blower.

10.5 Provided however that the complainant before making a complaint has reasonable belief that an issue exists and he has acted in good faith. Any complaint not made in good faith as assessed as such by the Audit Committee shall be viewed seriously and the complainant shall be subject to disciplinary action as per the Rules / certified standing orders of the Company. This policy does not protect an employee from an adverse action taken independent of his disclosure of unethical and improper practice etc. unrelated to a disclosure made pursuant to this policy.

11. ACCESS TO CHAIRMAN OF THE AUDIT COMMITTEE

11.1 The Whistle Blower shall have right to access Chairman of the Audit Committee directly in exceptional cases and the Chairman of the Audit Committee is authorized to prescribe suitable directions in this regard.

12. COMMUNICATION

12.1 A whistle Blower policy cannot be effective unless it is properly communicated to employees. Employees shall be informed through by publishing in notice board and the website of the company.

13. RETENTION OF DOCUMENTS

13.1 All Protected disclosures in writing or documented along with the results of Investigation relating thereto, shall be retained by the Company for a period of 7 (seven) years or such other period as specified by any other law in force, whichever is more.

14. AMENDMENT

14.1 The Company reserves its right to amend or modify this Policy in whole or in part, at any time without assigning any reason whatsoever. However, no such amendment or modification will be binding on the Employees and Directors unless the same is notified to them in writing.

CORPORATE GOVERNANCE REPORT

Company's Report on Corporate Governance for the Financial Year ended 31st March, 2021

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

The Regulation 27 of SEBI (LODR) Regulations, 2015 is not applicable to the Company, in view of the conditions prescribed under the Regulation 15 of the SEBI (LODR) Regulations, 2015. However, the Company does certain compliance and provides the following information.

The Company places great emphasis on values such as empowerment and integrity of its employees, safety of the employees & communities surrounding our plants, transparency in decision making process, fair & ethical dealings with all, pollution free clean environment and last but not the least, accountability to all the stakeholders. The details of compliance are as follows:

1. THE GOVERNANCE STRUCTURE:

The Company's governance structure is based on the principles of freedom to the executive management within a given framework to ensure that the powers vested in the executive management are exercised with due care and responsibility so as to meet the expectation of all the stakeholders. In line with these principles, the Company has formed three tiers of Corporate Governance structure, viz.:

- (i) **The Board of Directors** - The primary role of the Board is to protect the interest and enhance value for all the stakeholders. It conducts overall strategic supervision and control by setting the goals & targets, policies, governance standards, reporting mechanism & accountability and decision-making process to be followed.
- (ii) **Committees of Directors**- Such as Audit Committee, Nomination & Remuneration Committee, Stakeholders' Relationship Committee and Risk Management Committee are focused on financial reporting, audit & internal controls, compliance issues, appointment and remuneration of Directors and Senior Management Employees and the risk management framework.
- (iii) **Executive Management**- The entire business including the support services are managed with clearly demarcated responsibilities and authorities at different levels.
- (a) **Executive Committee** - The Executive Committee is headed by the Managing Director. The CFO and the Heads of Marketing and HR are its other members. This committee is a brain storming committee where all important business issues are discussed and decisions are taken. This Committee reviews and monitors monthly performances, addresses challenges faced by the business, draws strategies and policies and keep the Board informed about important developments having bearing on the operational and financial performance of the Company. The Committee members report to the Managing Director & CFO.
- (b) **Managing Director & CFO** - The Managing Director & CFO are responsible for achieving the Company's vision and mission, business strategies, project execution, significant policy decisions and all the critical issues having significant business & financial implications. They are also responsible for the overall performance and growth of the Company and ensure implementation of the decisions of the Board of Directors and its various Committees. They report to the Board of Directors.

2. BOARD OF DIRECTORS :

A. Composition and Category of Directors in the Board-

The Board of Directors of the Company consists of an optimum combination of Executive, Non-executive and Independent Directors, to ensure the independent functioning of the Board. The composition of the Board also complies with the provisions of the Companies Act, 2013, SEBI (LODR) Regulations, 2015 and other

Listing Regulations. As at the end of Corporate financial year 2020-21, the total Board consists of Five (5) Directors, out of which Three (3) are Non-Executive Directors in the category of Independent Directors.

F. Induction and Familiarization Program for Directors-

On appointment, the concerned Director is issued a Letter of Appointment setting out in detail, the terms of appointment, duties, responsibilities and expected time commitments. Each newly appointed Independent Director is taken through an induction and familiarization program including the presentation and interactive session with the Managing Director, Executive Committee Members and other Functional Heads on the Company's manufacturing, marketing, finance and other important aspects. The Company Secretary briefs the Director about their legal and regulatory responsibilities as a Director. The program also includes visit to the plant to familiarize them with all facets of manufacturing of utensils. On the matters of specialized nature, the Company engages outside experts/ consultants for presentation and discussion with the Board members. The details of familiarization program can be accessed from the website: www.amitsecurities.com

G. Selection and Appointment of Director-

The Nomination & Remuneration Committee have approved a Policy for the Selection, Appointment and Remuneration of Directors. In line with the said Policy, the Committee facilitates the Board in identification and selection of the Directors who shall be of high integrity with relevant expertise and experience so as to have well diverse Board. The abstract of the said Policy forms part of the Directors' Report. Directors are appointed or re-appointed with the approval of the shareholders and shall remain in office in accordance with the provisions of the law and the retirement policy laid down by the Board from time-to-time. The Managing Director and all the Non-Executive Directors (except Independent Directors) are liable to retire by rotation unless otherwise specifically provided under the Articles of Association or under any statute.

As required under Regulation 46(2)(b) of the Listing Regulations, the Company has issued formal letters of appointment to the Independent Directors. The terms & conditions of appointment of their appointment are posted on the Company's website and can be accessed at www.amitsecurities.com

H. Separate Meeting of Independent Directors-

As stipulated by the Code of Independent Directors under the Companies Act, 2013 and the Listing Regulations, a separate meeting of the Independent Directors was held on 13th February, 2021 to review the performance of Non-Independent Directors (including the Chairman) and the entire Board. The Independent Directors also reviewed the quality, content and timeliness of the flow of information between the Management and the Board and its' Committees which is necessary to effectively and reasonably perform and discharge their duties.

I. Agenda:

All the meetings are conducted as per well designed and structured agenda. All the agenda items are backed by necessary supporting information and documents (except for the critical price sensitive information, which is circulated separately or placed at the meeting) to enable the Board to take informed decisions. Agenda also includes minutes of the meetings of all the Board Committees and Subsidiaries for the information of the Board. Additional agenda items in the form of "Other Business" are included with the permission of the Chairman. Agenda papers are circulated seven clear days prior to the Board Meeting. In addition, for any business exigencies, the resolutions are passed by circulation and later placed at the subsequent Board/ Committee Meeting for ratification / approval.

J. Invitees & Proceedings:

Apart from the Board members, the Company Secretary, the CFO and other invitees are invited to attend all the Board Meetings. Other senior management executives are called as and when necessary, to provide additional inputs for the items being discussed by the Board. The CFO makes presentation on the quarterly and annual operating & financial performance and on annual operating & capex budget. The Managing Director and other senior executives make presentations on capex proposals & progress, operational health & safety and other business issues. The Chairman of various Board Committees brief the Board on all the important matters discussed & decided at their respective committee meetings, which are generally held prior to the Board meeting.

K. Post Meeting Action:

Post meetings, all important decisions taken at the meeting are communicated to the concerned officials and departments. Action Taken Report is prepared and reviewed periodically by the Managing Director and Company Secretary for the action taken / pending to be taken.

L. Support and Role of Company Secretary:

The Company Secretary is responsible for convening the Board and Committee meetings, preparation and distribution of Agenda and other documents and recording of the Minutes of the meetings. She acts as an interface between the Board and the Management and provides required assistance and assurance to the Board and the Management on compliance and governance aspects.

M. Board Evaluation:

During the year, the Board adopted a formal mechanism for evaluating its performance and effectiveness as well as that of its Committees and individual Directors, including the Chairman of the Board. For Board and its Committees, the exercise was carried out through a structured evaluation process covering various aspects of the Boards functioning such as composition of the Board & committees, experience & competencies, performance of specific duties & obligations, governance issues etc. In case of evaluation of the individual Directors, one to one meeting of each Director with the Chairman of the Board and the Chairman of the Nomination & Remuneration Committee was held.

The Directors were satisfied with the evaluation results, which reflected the overall engagement and effectiveness of the Board and its Committees.

N. Code of Conduct:

The Board of Directors has laid down a Code of Conduct for Business and Ethics (the Code) for all the Board members and all the employees in the management grade of the Company. The Code covers amongst other things the Company's commitment to honest & ethical personal conduct, fair competition, corporate social responsibility, sustainable environment, health & safety, transparency and compliance of laws & regulations etc. The Company believes in "Zero Tolerance" to bribery and corruption in any form and in line with our governance philosophy of doing business in most ethical and transparent manner, the Board has laid down an "Anti-Bribery and Corruption Directives", which is embedded to the Code. The Code of Conduct is posted on the website of the Company.

All the Board members and senior management personnel have confirmed compliance with the code. A declaration to that effect signed by the Managing Director is attached and forms part of the Annual Report of the Company.

O. Prevention of Insider Trading Code:

As per SEBI (Prohibition of Insider Trading) Regulation, 2015, the Company has adopted a Code of Conduct for Prevention of Insider Trading. All the Directors, employees and third parties such as auditors, consultants etc. who could have access to the unpublished price sensitive information of the Company are governed by this code. The trading window is closed during the time of declaration of results and occurrence of any material events as per the code. The Company has appointed Ms. Insiya, Company Secretary as Compliance Officer, who is responsible for setting forth procedures and implementation of the code for trading in Company's securities. During the year under review there has been due compliance with the said code.

INDEPENDENT AUDITOR'S REPORT

**TO THE MEMBERS OF
AMIT SECURITIES LIMITED**

REPORT ON THE STANDALONE FINANCIAL STATEMENTS

We have audited the standalone financial statements of **AMIT SECURITIES LIMITED** (The Company), which comprises the Balance sheet as at 31st March, 2021 and the statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow statement and the Statement of Changes in Equity for the year ended 31st March 2021, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act'2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its total comprehensive income (comprising of Profit and other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that in our professional judgment were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon. We have determined that there are no Key Audit Matters to be communicated in our audit report.

OTHER INFORMATION

The Company's Board of Directors is responsible for the other information. The other information obtained at the date of this auditor's report is information included in the Annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is no material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for matters stated in Section 134(5) of the Companies Act, 2013 ("The Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial positions, financial performance of the company in accordance with the accounting standards referred to in section 133 of the Act, read with rule 7 of the Companies (Accounts) Rule, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) order, 2015 ("the order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013 we give in the annexure a statement on the matters specified in paragraphs 3 and 4 of the order to the extent **applicable**.

ANNEXURE - B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of AMIT SECURITIES LIMITED ("the Company") as of 31st March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit

preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL RE-PORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant Accounting Policies

1. CORPORATE INFORMATION

Amit Securities Limited ("the Company") was incorporated as a Public limited Company in 17th Day of June, 1992 with the Registrar of Companies, Maharashtra. The company is primarily engaged in the trading of aluminium utensils and investments in mutual funds, share, and securities.

2.1 BASIS OF PREPARATION AND PRESENTATION

The standalone financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities (including derivative instruments) and
- Defined benefit plans - plan assets

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

2.2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Property, Plant and Equipment (PPE)

- i) Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.
- ii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. In the carrying amount of an item of PPE, the cost of replacing the part of such an item is recognized when that cost is incurred if the recognition criteria are met. The carrying amount of those parts that are replaced is derecognized in accordance with the derecognition principles.
- iii) Depreciation on property, plant and equipment is provided using straight line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 . Each part of an item of Property, Plant & Equipment with a cost that is significant in relation to total cost of the Machine is depreciated separately, if its useful life is different than the life of the Machine.
- iv) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- v) Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

b) Leases

- i) Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.
- ii) Leased assets: Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

- iii) Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. Contingent rentals are recognised as expenses in the periods in which they are incurred.
- iv) A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.
- v) Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

c) Finance Cost

- i) Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.
- ii) Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.
- iii) All other borrowing costs are expensed in the period in which they occur.

d) Inventories

- i) Securities Shown as Inventories are valued scrip wise at Market Value of securities.

e) Impairment of non-financial assets - property, plant and equipment and intangible assets

- i) The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.
- ii) An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.
- iii) The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

f) Provisions, Contingent Liabilities and Contingent Assets and Commitments

- i) Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management estimate of the amount required to settle the obligation at the balance sheet date. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a standalone asset only when the reimbursement is virtually certain.

- ii) If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.
- iii) Contingent liabilities are disclosed on the basis of judgment of management. These are reviewed at each balance sheet date are adjusted to reflect the current management estimate.
- iv) Contingent assets are not recognized but are disclosed in the financial statements when inflow of economic benefits is probable.

g) Income Taxes

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the other comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

h) Employee Benefits Expense

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

i) Revenue recognition

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed.

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on

behalf of the government such as Goods and Service Tax(GST)

Revenue from operations includes sale of goods, services, service tax, excise duty and adjusted for discounts (net), and gain/ loss on corresponding hedge contracts.

Interest income

Interest income from a financial asset is recognised using effective interest rate (EIR) method.

Dividends

Revenue is recognised when the Company's right to receive the payment has been established, which is generally when shareholders approve the dividend.

j) Financial Instruments

i) Financial Assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement

Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL.

C. Investment in subsidiaries, Associates and Joint Ventures

The Company has elected to measure investment in subsidiaries, Associates and Joint Ventures at its carrying cost.

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

E. Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to :

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ii) Financial Liabilities

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

C Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

K) Operating Cycle

The Company presents assets and liabilities in the balance sheet based on current / non-current classification based on operating cycle.

An asset is treated as current when it is :

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle;
- b. Held primarily for the purpose of trading;
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle;
- b. It is held primarily for the purpose of trading;
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The company has identified twelve months as its operating cycle.

l) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a right issue to existing shareholders.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

m) Dividend Distribution

Dividend distribution to the shareholders is recognised as a liability in the company's financial statements in the period in which the dividends are approved by the company's shareholders.

n) Statement of Cash Flows

i) Cash and Cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

ii) Statement of Cash Flows is prepared in accordance with the Indirect Method prescribed in the relevant Ind AS.

2.3 CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the financial statements in conformity with the Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

a) Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

b) Recoverability of trade receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

e) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

INDEPENDENT AUDITOR'S REPORT

**TO THE MEMBERS OF
AMIT SECURITIES LIMITED**

REPORT ON THE FINANCIAL STATEMENTS

We have audited the Consolidated financial statements of **AMIT SECURITIES LIMITED** (The Company), which comprises the Consolidated Balance sheet as at 31st March, 2021 and the consolidated statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow statement and the consolidated Statement of Changes in Equity for the year ended 31st March 2021, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act'2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its total comprehensive income (comprising of **Consolidated Profit** and consolidated other comprehensive income), its consolidated cash flows and the changes in equity for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that in our professional judgment were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon. We have determined that there are no Key Audit matters to be communicated in our audit report.

OTHER INFORMATION

The Company's Board of Directors is responsible for the other information. The other information obtained at the date of this auditor's report is information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is no material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for matters stated in Section 134(5) of the Companies Act, 2013 ("The Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial positions, consolidated financial performance of the company in accordance with the accounting standards referred to in section 133 of the Act, read with rule 7 of the Companies (Accounts) Rule, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the holding company Board of Directors are responsible for assessing the group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the holding company Board of Directors either intends to liquidate the group or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the group's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE - A TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of AMIT SECURITIES LIMITED(hereinafter referred to as the "Holding Company"), its associates as of 31st March 2021 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of holding company and associate company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Holding Company its associates internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Holding Company and its associate company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant Accounting Policies

1. CORPORATE INFORMATION

Amit Securities Limited ("the Company") was incorporated as a Public limited Company in 17th Day of June, 1992 with the Registrar of Companies, Maharashtra. The company is primarily engaged in the trading of aluminium utensils and investments in mutual funds, share, and securities.

2.1 BASIS OF PREPARATION AND PRESENTATION

The standalone financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities (including derivative instruments) and
- Defined benefit plans - plan assets

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

2.2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Property, Plant and Equipment (PPE)

- i) Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.
- ii) Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. In the carrying amount of an item of PPE, the cost of replacing the part of such an item is recognized when that cost is incurred if the recognition criteria are met. The carrying amount of those parts that are replaced is derecognized in accordance with the derecognition principles.
- iii) Depreciation on property, plant and equipment is provided using straight line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. Each part of an item of Property, Plant & Equipment with a cost that is significant in relation to total cost of the Machine is depreciated separately, if its useful life is different than the life of the Machine.
- iv) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- v) Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

b) Leases

- i) Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.
- ii) Leased assets: Assets held under finance leases are initially recognised as assets of the Group at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.
- iii) Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses

are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. Contingent rentals are recognised as expenses in the periods in which they are incurred.

- iv) A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.
- v) Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where another systematic basis is more representative of time pattern in which economic benefits from the leased assets are consumed.

c) Finance Cost

- i) Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.
- ii) Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.
- iii) All other borrowing costs are expensed in the period in which they occur.

d) Inventories

- i) Securities Shown as Inventories are valued scrip wise at Market Value of securities.

e) Impairment of non-financial assets - property, plant and equipment and intangible assets

- i) The Group assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the CGU to which the asset belongs.
- ii) An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.
- iii) The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

f) Provisions, Contingent Liabilities and Contingent Assets and Commitments

- i) Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management estimate of the amount required to settle the obligation at the balance sheet date. When the Group expects some or all of a provision to be reimbursed, the reimbursement is recognised as a standalone asset only when the reimbursement is virtually certain.
- ii) If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

- iii) Contingent liabilities are disclosed on the basis of judgment of management. These are reviewed at each balance sheet date are adjusted to reflect the current management estimate.
- iv) Contingent assets are not recognized but are disclosed in the financial statements when inflow of economic benefits is probable.

g) Income Taxes

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the other comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

h) Employee Benefits Expense

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Group pays specified contributions to a separate entity. The Group makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Group's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

i) Revenue recognition

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.

Revenue from rendering of services is recognised when the performance of agreed contractual task has been completed. Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government such as Goods and Service Tax (GST). Revenue from operations includes sale of goods, services, service tax, excise duty and adjusted for discounts (net), and gain/ loss on corresponding hedge contracts.

Interest income

Interest income from a financial asset is recognised using effective interest rate (EIR) method.

Dividends

Revenue is recognised when the Group's right to receive the payment has been established, which is generally when shareholders approve the dividend.

j) Financial Instruments

i) Financial Assets

A. Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

B. Subsequent measurement

Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL.

C. Investment in subsidiaries, Associates and Joint Ventures

The Group has elected to measure investment in subsidiaries, Associates and Joint Ventures at its carrying cost.

D. Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Group has elected to present the value changes in 'Other Comprehensive Income'.

E. Impairment of financial assets

In accordance with Ind AS 109, the Group uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Group applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Group uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Group uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

ii) Financial Liabilities

A. Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

B. Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

C. Derecognition of financial instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

K) Operating Cycle

The Group presents assets and liabilities in the balance sheet based on current / non-current classification based on operating cycle.

An asset is treated as current when it is:

- a. Expected to be realized or intended to be sold or consumed in normal operating cycle;
- b. Held primarily for the purpose of trading;
- c. Expected to be realized within twelve months after the reporting period, or
- d. Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- a. It is expected to be settled in normal operating cycle;
- b. It is held primarily for the purpose of trading;
- c. It is due to be settled within twelve months after the reporting period, or
- d. There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The Group has identified twelve months as its operating cycle.

I) Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for events of bonus issue; bonus element in a right issue to existing shareholders.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

m) Dividend Distribution

Dividend distribution to the shareholders is recognised as a liability in the Group's financial statements in the period in which the dividends are approved by the Group's shareholders.

n) Statement of Cash Flows

i) Cash and Cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

ii) Statement of Cash Flows is prepared in accordance with the Indirect Method prescribed in the relevant Ind AS.

2.3 CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the financial statements in conformity with the Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

a) Depreciation / amortisation and useful lives of property plant and equipment / intangible assets

Property, plant and equipment / intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Group's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

b) Recoverability of trade receivable

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

c) Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d) Impairment of non-financial assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGU's) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

e) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Group uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

31 CAPITAL MANAGEMENT

The Company adheres to a robust Capital Management framework which is underpinned by the following guiding principles;

- Maintain financial strength to attain AAA ratings domestically and investment grade ratings internationally.
- Ensure financial flexibility and diversify sources of financing and their maturities to minimize liquidity risk while meeting investment requirements.
- Proactively manage group exposure in forex, interest and commodities to mitigate risk to earnings.
- Leverage optimally in order to maximize shareholder returns while maintaining strength and flexibility of the Balance sheet.

This framework is adjusted based on underlying macro-economic factors affecting business environment, financial market conditions and interest rates environment.

Foreign Currency Risk:

The company does not have any foreign currency exposures.

Interest Rate Risk

The company has not taken any loans or entered into any any derivative contracts. Accordingly, there is no exposure to interest rate changes at the end of the reporting period.

Commodity Price Risk

Commodity price risk arises due to fluctuation in prices of raw material. The company has a risk management framework aimed at prudently managing the risk arising from the volatility in raw material prices and freight costs.

The company's commodity risk is managed centrally through well-established trading operations and control processes. In accordance with the risk management policy, the Company carefully calibrates the timing and the quantity of purchase

Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the company. Credit risk arises mainly from the outstanding receivables from customers.

The company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. The credit ratings/market standing of the customers are evaluated on a regular basis.

Liquidity Risk

Liquidity risk arises from the Company's inability to meet its cash flow commitments on time. Prudent liquidity risk management implies maintaining sufficient stock of cash and marketable securities. The Company maintains adequate cash and cash equivalents alongwith the need based credit limits to meet the liquidity needs.
