TMC Prepares for Civic Polls with Focus on Voter Experience

Thane : The Thane Municipal Corporation (TMC) has initiated comprehensive planning for the upcoming civic body elections, with a primary objective of enhancing facilities and the overall experience for voters on the day of polling. The corporation's election department has announced that 1,942 polling booths will be established across the municipal limits, each designed to accommodate around 850 registered voters.

The election will determine 131 corporators for the municipality's 33 wards, and preparations are being carried out well in advance of the anticipated implementation of the election code of conduct next month.

The preparations include a strong focus on accessibility and comfort for all citizens.

Special provisions are being made for disabled voters and senior citizens, which includes the instal-

lation of ramp facilities at polling locations.

To further assist those needing support, approximately 750 wheelchairs will be kept ready at the booths. The 1,942 designated polling stations are currently planned within municipal schools.

And various government buildings, but the

Municipal Corporation is also actively surveying other potential sites to create additional voting facilities, ensuring maximum convenience for the public.

A key highlight of the arrangements is the establishment of 33 'Sakhi' booths, specially created for women voters. These booths will feature unique, attractive décor, including pink curtains, flowers, and balloons, aiming to foster a pleasant and welcoming atmosphere specifically for female citizens.

This initiative is designed to encourage greater participation from women in the democratic process.

In a move to make voting a more celebrated event,

the TMC is setting up approximately 750 'selfie points' across various polling station locations. These points will allow voters to take a celebratory photograph after casting their vote, turning the civic duty into a memorable public event.

The widespread presence of these selfie points is part of a plan to boost voter enthusiasm and turnout in the city.

Finally, the corporation is also dedicating significant resources to manpower. The election work will require the deployment of a large team comprising 13,000 employees.

This includes four thousand permanent staff from the Thane Municipal Corporation, supplemented by employees drawn from other local municipal bodies, ensuring that the election process is managed smoothly and efficiently across the entire district.

Classic Car Marvel: Mercedes-Benz Rally to Tour Mumbai Coast

Mumbai : The 12th edition of the Mercedes-Benz Classic Car Rally (MBCCR) is set to transform Mumbai's scenic coastal stretch into a dazzling display of vintage automotive luxury on November 16. The rally promises an extraordinary treat for car enthusiasts, showcasing some of the brand's most historically significant models. Among the classics on display will be the venerable 1929 Nurburg, the elegant 170 V Roadster, the iconic 190SL, the beautiful 230SL Pagoda, the rare 300SC Roadster, and examples representing every generation of the E-Class, S-Class, and SL Roadsters.

The rally is scheduled to begin and conclude at the Taj Lands End in Bandra. The convoy will be flagged off from the hotel at 9:30 a.m. and will follow a defined route along the city's waterfront, providing multiple opportunities for the public to view

the historic vehicles. This year's route is extended and is expected to attract a large number of onlookers eager to capture a glimpse of these rolling masterpieces.

From the start point, the cars will proceed rapidly to the Bandra Reclamation Promenade, reaching it by 9:35 a.m. The journey continues along the newly developed Coastal Road Promenade, with estimated arrival times at the Worli stretch at 9:45 a.m. and the Bhulabhai Desai Road section at 9:50 a.m. The highlight for many will be

the arrival at the Marine Drive Promenade at 9:55 a.m., marking the convoy's furthest point.

The route culminates with the U-turn at Nariman Point at 10:00 a.m. before the vehicles begin their return journey. The return leg retraces the route back along the coast. The classics are expected to reach the Marine Drive Promenade again at 10:05 a.m., the Coastal Road Bhulabhai Desai Road at 10:10 a.m., the Coastal Road Worli section at 10:15 a.m., and the Bandra Reclamation Promenade at 10:20 a.m.

Traffic Advisory: Key South Mumbai Streets Turn One-Way for Five Months

Mumbai : Motorists in South Mumbai face a major traffic reconfiguration as the D.B. Marg Traffic Division has issued a five-month advisory, effective from November 15, 2025. This advisory announces that a critical segment of Jagannath Shankar Seth Road (J.S.S. Road) will operate as a one-way route. The affected portion runs between Pandit Paluskar Chowk at the Opera House Junction and Santananda Ananthari Gadre Chowk at Girgaon Church.

This significant restriction is being implemented to accommodate

excavation and concretisation work on the road, which is being carried out by GHV (India) Pvt Ltd. The alteration in traffic movement is a necessary measure, according to officials, aimed at maintaining public safety and ensuring a manageable flow of vehicles through the central Mumbai corridor during the lengthy construction period.

The official order, issued by Deputy Commissioner of Police (Traffic South) Prashant Pardeshi, mandates that vehicles traveling along J.S.S. Road will be strictly prohibited from entering the

one-way stretch. Commuters must instead utilize designated alternative routes to reach their destinations. These mandatory diversions include R.R. Road (Raja Rammohan Roy Road) or a route via Girgaon Church and the Charni Road Junction.

Furthermore, traffic coming from J.S.S. Road also has the option of being routed through Santananda Ananthari Gadre Chowk, from where they can continue towards the Parthana Samaj Junction on SVP Road before proceeding further into the city. These alternative paths are crucial for miti-

gating congestion around the construction site and maintaining connectivity.

Accompanying the traffic change is a strict ban on parking in the area. Authorities have enforced a complete 'no parking' rule, which will be in effect 24 hours a day along J.S.S. Road and the designated R.R. Road diversion route for the entire five-month duration of the traffic reconfiguration. Traffic police personnel will be stationed at key junctions, supported by clear directional and informational boards, and the department has urged full cooperation from motorists to ensure smooth movement and avoid confusion.

Natural Births Preferred in Thane District Government Hospitals

Thane : Government hospitals throughout Thane district are gaining increasing trust among women by actively prioritizing and promoting natural delivery, effectively countering the growing national trend of opting for Caesarean sections. While the process of childbirth can involve complexities that lead many to choose surgical methods, the public health system in Thane is winning confidence by emphasizing vaginal birth as the preferred option.

Statistics provided by the District General Hospital administration showcase the success of this approach. Over the last three years, 13 government hospitals across the district managed a total of 47,864 deliveries. A substantial majority of these—32,453—were natural births, with

15,411 being C-sections, demonstrating a clear commitment to non-surgical delivery unless medically necessary.

The government facilities, which include the Thane District General Hospital, Sub-District Hospitals, Rural Hospitals, and Primary Health Centers, follow a stringent protocol: C-section procedures are performed only in genuine emergency or complicated scenarios. In all other cases, natural delivery is given primary importance. This focused effort by the public health infrastructure has been instrumental in checking and regulating the unwarranted increase in Caesarean section rates within the region.

The success of these efforts has led to a significant surge in pregnant women seeking delivery services
