Quality Control -

The firm follows *STATEMENT OF AUDITING STANDARDS 240 on QUALITY CONTROL FOR AUDIT WORK.*

1. Prior to the commencement of any professional assignment, we conduct a thorough study of the client's business that would enable us to identify the events, transactions and practices that, in our judgement have a significant effect on the financial information.
2. Every audit is always commenced by the partner himself. Internal controls and accounting procedures are evaluated and a detailed audit programme is prepared by him, setting forth the procedures that serve as a set of instructions to the assistants involved. The programme may be discussed with the client to improve audit efficiency. Such a programme is periodically reviewed & modified to suit the developments that occur during the conduct of the audit.
3. A check list is made to ensure that all Accounting Standards (AS) are complied with as also that we have complied with all the Standards on Auditing (SA) Deficiencies noticed are made up.
4. The work may subsequently be partially or wholly delegated to competent assistants capable of fulfilling their responsibilities with due care.
5. The partner himself supervises and reviews the work so as to provide reasonable assurance that the work performed meets appropriate standards of quality.
6. Overall review by another partner of the findings by the partner in charge of audit, Analytical study is made of Balance Sheet. Questions / state of affairs are sought from the Management. Qualifications if dropped, - reasons therefore written in file.
7. Management is provided with all the proposed qualifications and its replies are sought. Only then qualifications are reported.

The firm strictly adheres to the time-budgets and thus we can assure timely completion
