CID reveals Roshan Horo shot point-blank by CRPF in Jharkhand last year

Ranchi The CID has revealed that Roshan Horo was shot point-blank by a CRPF jawan on March 20, 2020, which has now been revealed as a case of mistaken identity. Roshan Horo was a resident of Kumardih village under Murhu Police Station in the Khunti district and fell prey to the CRPF bullet when he was shot dead from point-blank range...

Roshan Horo's family finally got some respite and heaved a sigh of relief after they had met CM Hemant Soren in his office at Ranchi on June 24, 2020.

Roshan was killed by the CRPF when a combing operation was on in Murhu some 25 km away from Khunti headquarters near a school acting on a tip-off. Suddenly Roshan Horo appeared near the school on his bike and was shot by the CRPF on March 20, 2020. It was a case of mistaken identity.

Chief Minister Hemant Soren met the family of Roshan Horo in his office on June 24 and had assured the family of all cooperation from the government.

The Chief Minister had directed to support the deceased's wife with an amount of Rs 10 lakh as financial aid and a job in the block office, at Murhu. The Chief Minister said that no one can bring back someone's life. The death cannot be undone and it cannot be compensated but the government will try to cover the family of the deceased with all possible assistance. Now the state government will seek approval from the concerned department of the Union Government to proceed further in the matter and arrest the accused CRPF official.
